Safety Tips for Your Children

- No one should ask you to keep a special secret. If someone does, tell your parents or teachers.
- If someone wants to take your picture, tell your parents or teacher.
- No one should touch the parts of your body covered by a bathing suit, nor should you touch anyone else in those areas. Your body is special and private.
- Trust your feelings about what is right and wrong behavior

THERE'S NO PLACE LIKE HOME!

Educated shoppers know when it comes to value, convenience and overall economics, it makes good sense to shop locally.

In fact, every dollar spent with your hometown merchants helps build better roads and schools and improves services in your community.

But that's not all. Your local merchants pay lower overhead costs than their big city counterparts, so you often pay lower prices for the very same merchandise.

When you consider the gas, time and energy saved at home, it just doesn't pay to shop around!
